# LEE WATCHED THE TRIAL

Luis Someillan Before a Spanish Tribunal at Havana.

CONSUL'S CLERK PRESENT

paniards' Brutal Murder of De mingo de la Garza Because It Was Suspected He Was a Cuban. Queen Regent Confers Titles Upon Sympathizers With Her Cause.

Havana, Jan. 10 -The trial of Luis Someillan, a naturalized American citi-zen, who is charged with conspiring against the Spanish government, was continued at 1 o'clock yesterday.

Official duties prevented Consul Gen. Lee from being present, but he sent a representaitve to watch the proceedings in the in-

erest of the accused.

After the witnesses had concluded their testimony, which contained nothing ma-terial to support the charge against the risoner, the presecuting attorney made long speech that was full of patrictic

Spanish sentiment.

He said be despised those cutizens of the United States, who had enrolled them selves under the flag of a great and nelse nation for the sole purpose of protecting themselves in their crimes of conspiracy against a power, with which the United States was friendly.

He declared that if the material charge

against Someilian had not been clearly proved there was a moral conviction that he was guilty and was, therefore, de-serving of being imprisoned for life. With much vehenence he urged the judges to remember Spain's honor above all other considerations and to decide the case ac ording to their convictions.

The court then adjourned until Monday,

when counsel for the defense will be heard

### Murder Not Committed.

The report that Domingo de la Garza, Mexican citizen, had been murdered by Spanish troops in Guanabacoa on the occasion of the demonstration there in isono of Col. Fonsdevella, the military commander of that town, is untrue. The Mexican consultere says that de la Garza was killed in a drunken bout, and that ne

Gen. Arolas has arrived in Havana fron Pinar del Rio. It is said that he has been ordered to proceed to the central trocha, which extends from Jucaro to Moron, in

the province of Puerto Principe.

The queen regent has conferred upon Senor Don Prudencio Rabell, a prominent nember of the Reformist party and manging director of Diario de la Marina, the arms director of marino de la marina, the title of Marques Rabell. She has also con-ferred the great cross for naval mera upon the mayor of Havana, Senor Don Amonio Quesada; the great cross for mili tary merit upon Senor Don Jose Maria Galvez, chairman of the Autonomist party, and the white cross for military merit upon newspaper, whose dispatches, always favorable to the Spanish cause, have created a decided impression in his favor among military commanders here, who urged Gen. Weyler to recommend to the queen repent that he be honored for his services the interests of Spain.

## The Killing of de la Garza.

The Marquis de Apezteguia, head of the Constitutional party here, who has sought to have Gen. Weyler recalled to Spain, Will

sail tomorrow for Spain.

The correspondents of the Madrid Imparcial and Heraldo, who were recently ordered by those journals to proceed to I orto Rico and await further instructions there, will leave tomorrow. Their leaving Cuba is due to the fact that the papers they represent were recently seized by the Madrid povernment for exposing the maindministration in the island a iddictional ing Weyler's recall.

It can be stated positively that, although the authorates here officially deap the statement that the Mexican, Domingo de

having destroyed a large number of huts, camps and plantations, together with all of the rebels' resources of provisions, munitions, etc., found therein. Some of the range were stoutly defended by the rebejs, many of whom were killed.

The queen regent has bestowed upor Senor Rafael Montoro, the well-known stonomist leader, the rank and title of Marquis of Montoro.

New York, Jan. 10 .- In reference to an article which appeared in one of today's papers to the effect that Gen. Weyler knew of the movements of the Three Friends in advance, President Falma of the junta stated yesterday that there was no truth "How could there be," he continued

"when only the man who gave the orders and the man that opened them on board than this he would say nothing.
